WORK FOR VETERANS

B. F. PATTERSON THINKS OLD FIGHTERS WOULD STIFFEN RANKS

B. F. Patterson, of 317 Belmont street, is a veteran of the Border wars of the early eighties. Many a long march he put in with the soldiers of those days under the leadership of Gen. Cook. Many a lesson of caution he learned along with his comrades when it was necessary to develop instinct and scouting ability, such as that developed by the famous American scout Burnham, who could tell the number and direction and sometimes even the intentions of a body of the enemy from signs so faint that the ordinary eye could not perceive them.

Mr. Patterson said: "I believe it would be a good thing for the young men who are in the training camps and on the border of Mexico at present to have a number of veterans like myself scattered among them to stiffen them up. The young soldier is admirable in everything except experience. He has had no experience of the wiles and ways of the desert, the Yaqui Indians and the Mexicans.

"It is not to be expected that the Mexicons are going to fight according to the practice of American warfare. In my time in 1882-83 when we were fighting the Apaches in the Arizona desert, under Gen. Cook, we had to learn many things though indeed we were not so unaccustomed to that kind of life as the average "rookie" of the present day. Most of us had lived on the border and were open-air men. We had had all the varied experience of the border existence and knew something of the wily savages we were fighting. It was not easy for the Apache to trick us and when he did manage to put it over on some of us it was merely because we had neglected some of the border craft and training we had had.

"Besides this we had in our ranks many of the real border scouts—men who knew the border like a book and could read the trail as one reads the alphabet. It was not easy to trick border men led by men like these. Should war break out between this country and Mexico it would be found that no past experience would be of much value. Men who are acquainted with the ways of the Mexican fighters would be needed.

"I think it would be well to get up a company of veterans like myself who have had experience and send us along with the boys of the militia. We would form a backbone of experience on which a present structure of unconquerable regiments could be built. That was Napoleon's practice. He invariably stiffened up his young recruits with a sprinkling of the "vieux mustaches", the old soldiers of his wars, who imparted their cool wisdom to the younger men. The combination was not to be beaten.

"I stand ready, notwithstanding my past service and age, to get into this war. If it should ever begin it will not be a war of regular pitched battles, but will degenerate before long into guerilla warfare in which the Mexicans will use every trick they know to entrap and ambush the unsuspecting Americans. Carrizal was an example. There the Americans were trapped. That will doubtless be done again.

"In war with Mexicans who are for the great part Indians, Indian warfare and methods may be expected. There will be the cutting off of straggling parties; the night attack; the false reports; the ambush in the desert; the false trail leading to the ambush; the false guide—all the old Indian tricks with the added cunning of the trained modern intelligence. Against many of these tricks knowledge is a protection. With a few veterans in the ranks many a trick would be anticipated and many a life would be spared."

BIRTHDAY SURPRISE

D. A. Liebernett, of 420 S. Jackson street, had a birthday Thursday and in celebration of the event a number of his friends planned a surprise upon him. The plans were very cleverly made and as cleverly carried out but Mr. Liebernett soon recovered from the shock of welcoming so many uninvited guests and fulfilled his duties as host very gracefully. The congenial crowd spent a happy evening in games and music. Refreshments of ice cream and cake were served. The guests were Mr. and Mrs. H. G. Voyce, Mr. and Mrs. Chris Hoffmeister, Mr. and Mrs. Burt Babcock, Mr. George Voyce and Miss Voyce of Los Angeles, Mr. and Mrs. W. S. Travis of Colegrove, Mr. and Mrs. Stees, Mr. and Mrs. Sherman, Mr. and Mrs. Gansert, Mr. and Mrs. Hanning and Miss Glendora Mellon.

TO OPEN PLAYGROUNDS

INTERMEDIATE, PACIFIC AND CENTRAL READY FOR SUMMER SEASON, JULY 1

Arrangements have now been completed for the opening of the summer playgrounds. The committee, consisting of the Rev. E. H. Willisford, chairman; Mrs. Puffer, for the Pacific Avenue school; Principal R. D. White, for the Intermediate school, and Mrs. Cousins, for the Central school, have been successful in raising funds and in securing superintendents for the playgrounds.

At the Third street or Intermediate school, where new tennis courts and other athletic conveniences have been provided, Mr. J. N. Clarke, assistant principal of the school, will have charge.

Pacific Avenue playground will be presided over by Miss Ellis M. Tipton, a teacher in the Sixth street school.

Central Avenue grounds will be in charge of Miss Laura Rowe, who had charge of the Pacific Avenue playground last year and endeared herself to all by her sympathetic leadership.

Mr. Clarke will spend one day in the week at each of the grounds and on those days the ladies in charge of the grounds will exchange with him. The playgrounds will be opened for two months. From time to time special amusement features will be given. It is likely that there will be a carnival. A public story-telling hour will be a feature of the season, which is certain to delight the children. Principal R. D. White, of the Intermediate school, will act as general superintendent of the three playgrounds and at each playground there will be a local committee to assist in the superintendence of the children and their sports.

Mrs. Greely Kolts will be chairman of the local committee at the Intermediate school; Mrs. Cousins will be chairman of the Central Avenue committee, and Mrs. Puffer will be chairman of the Pacific Avenue committee. The other members of these committees will be announced later.

Funds for the financing of the playgrounds have been raised as follows: The school trustees have subscribed $180; the city trustees have subscribed $150; the Parent-Teacher federation, $15; the Parent-Teacher associations of Pacific Avenue and Sixth Street schools, $5 each. Other subscriptions are expected from the other associations.

Every weekday the playgrounds will be open from 8:30 to 11:30 a. m. and from 2 to 6 p. m. This year attention will be specially given to children of school age and to young people. Last year a great many children-in-arms were brought to the grounds with the result that much attention had to be given to them while the rest of the work suffered. There will be no objection to parties bringing their children-in-arms to the grounds, but their presence there will be incidental and not a part of the regular work of the playgrounds. The grounds are for the children of school age and for adults principally.

PRESBYTERIAN PICNIC

The Primary department of the Presbyterian church enjoyed their annual picnic yesterday at Eagle Rock Park. The picnic was given in honor of the two large graduating classes. A dozen automobiles took the children to and from the park. Eighty sat down to a splendid dinner supplemented with plenty of ice cream cones. The children enjoyed rides on the merry-go-round. This, together with other games and hikes afforded a most pleasant day.

The officers of the Primary department were assisted by parents and friends of the children.

The officers who planned the successful affair are as follows: Mrs. Roy D. King, Supt.; Mrs. W. S. Carmichael, Asst. Supt.; Vivian Engle, Sec.; Jeannette McLennon, pianist; Margaret Nichols, chorister.

PATRIOTISM IN TROPICO

Arrangements are being made to hold a patriotic celebration at the Municipal Playgrounds, Tropico, on the evening of July 4. A band concert is planned by the Tropico Concert band and a program of patriotic addresses and musical numbers will be given. These will be followed by an open air dance and fireworks. Donations for the purpose of purchasing fireworks are being made. All families are invited to come. Bring the children and their fireworks and join in the celebration. Announcement of the complete program will be made in these columns at a later date.

DANGER OF WAR RAPIDLY WANING

PRESIDENT WILSON IS CONFIDENT THAT THERE WILL BE NO FIGHTING BETWEEN MEXICO AND U. S.

(Special Service to Glendale Evening News)

WASHINGTON, D. C., June 30.—All danger of immediate war with Mexico is fast passing away, according to official opinion here today. Officials in close touch with President Wilson state that he is determined to avoid war with Mexico if possible. The president sees no gain in a war with Mexico and is anxious to get Carranza to a point where he will agree to the joint operation of the American troops with the Mexicans in an endeavor to police the border.

VILLISTA RAIDERS HANGED AT DEMING

FOUR MEXICAN BANDITS WHO TOOK PART IN COLUMBUS ATTACK EXECUTED THIS MORNING

(Special Service to Glendale Evening News)

DEMING, N. M., June 30.—Four Villista raiders, who took part in the attack on Columbus, were hanged here this morning. They exhibited no interest in their fate and went to the scaffold smoking cigarettes. Two scaffolds had been erected and two bandits were hanged on each.

MEXICO'S REPLY TO BE SATISFACTORY

CARRANZA'S FOREIGN OFFICE COMPLETES ANSWER TO PRESIDENT WILSON'S LATEST NOTE

(Special Service to Glendale Evening News)

MEXICO CITY, June 30.—Carranza's foreign office has practically completed its note in answer to President Wilson's latest note, in which he stated that "grave consequences" would arise from disregard of the American demands. It is believed that the reply will be satisfactory. The opinion in well-informed circles is that war has been averted.

GERMAN ATTACKS ON MEUSE REPULSED

TEUTONS RUSH FRENCH FIRST LINE TRENCHES BUT ARE THROWN OUT AGAIN WITH ENORMOUS LOSSES

(Special Service to Glendale Evening News)

PARIS, June 30.—The Germans made most determined attacks on the French lines on the west bank of the Meuse today, in enormous numbers. In spite of the deadly fire of the French machine guns and seventy-fives, they penetrated to the first line trenches where their enormous numbers simply swamped the defenders. Before, however, they had time to rest in the trenches, they were attacked by the French reserve and thrown out, suffering frightful losses as they retreated. The trenches were all recovered.

RUSSIANS CAPTURE IMPORTANT CITY

GEN. LETCHITZKY OPENS UP ROUTE TO THE HUNGARIAN PLAINS—KIMPOLUNG TAKEN ALSO

(Special Service to Glendale Evening News)

PARIS, June 30.—Official reports from Petrograd state that Gen. Letchitzky has captured the important railway center of Kolomea. The fighting round this city has been going on for days and was of exceptional severity. Kimpolung, on the Roumanian border, is now in Gen. Brusiloff's hands. By the possession of these two points the Russians have opened up a route into the Hungarian plains.

GERMANS START OFFENSIVE AGAINST RUSSIA

VON HINDENBURG LAUNCHES HIS ARMY AGAINST KUROPATKIN'S FORCES ON RIGA-DVINSK FRONTIER

(Special Service to Glendale Evening News)

PETROGRAD, June 30.—The Germans began a vigorous offensive this morning early against the northern Russian army, which is directed by Gen. Kuropatkin. The attack, which is being pushed with the full force of the army at the command of Gen. Von Hindenburg is characterized by all the persistence the Germans have shown in this campaign. Thousands are falling but other thousands take their place. The battle is raging from Riga to Dvinsk. This new offensive is believed to have been launched by Hindenburg to divert the Russians from the attack on Galicia and Volhynia.

GERMANS THINK COMBINED DRIVE BEGUN

(Special Service to Glendale Evening News)

BERLIN, June 30.—The breaking out of the new Italian offensive on the front from the Trentino to the Isonzo simultaneously with the British offensive has convinced the Germans that the Allies are now making their great combined offensive. The increased activity on the Russian front and in France seems also to be part of this plan.

VOLUNTEERS RESPOND

FORTY MEN ASSEMBLE AT CALL FOR FORMATION OF LOCAL INFANTRY COMPANY

Forty men responded to the call for volunteers, who might be relied on in case of necessity in connection with the present trouble on the Mexican border. The meeting was held in the fire house Thursday evening at 8 o'clock. E. D. Johnson, of the firm of Johnson & Lyons of Glendale, and Joseph V. Griffin of Tropico, who have been organizing the movement, were present. Mr. Johnson, who acted as chairman of the meeting, stated that the eyes of the country were on Mexico where the American troops had been falling back to their base in the face of outnumbering Mexican troops and that everyone felt that it was the duty of those who were in a position to aid in this crisis to give their services. Major McReynolds, he said, was commander of the prospective regiment and officers of the regular army would be appointed to the important active positions.

Joseph V. Griffin said that the movement was an admirable one and that the country had much need to rouse itself to the knowledge of its defenselessness in the fact of any formidable foe. It was unlikely, he stated, that there would be any call for this new regiment to go to Mexico; but they would be ready for that or for any other call that might come.

R. M. McGee said that while he had no desire to go to war, he was glad to help the movement in any way possible. Already, he said, the mobilization of the America militia and their dispatch to the border had had its effect on Carranza, who had returned the American prisoners taken in the ambush at Carrizal. A wholesome fear thus instilled into the minds of the Mexicans was the way to command their respect.

F. W. Kenney moved that the important work of the evening be taken up and that those who desired be asked to sign the roster. Mr. Johnson intimated that Mr. Thom had donated free of charge his large packinghouse at the corner of Glendale and First, for the use of the volunteers as a drill hall.

The following signed the roster:
D. W. Nichols.
J. E. Olivas.
George Rowe.
Walter Eves.
C. E. Hughes.
Charles T. Shropshire.
Howard Smith.
Elmer C. Hoffman.
Guy Pixley.
George K. Pettit.
L. McMillan.
Jesse H. Flower.
G. A. N. Delgardo.
George Grist.
George A. Potter.
John A. St. Clair.
F. A. Conrad.
Joseph B. Griffin.
Charles M. Potter.
Emil A. Schroeder.
J. A. Bullis.
H. H. McGillis.
A. J. McElroy.
R. M. McGee.
D. C. McBain.
E. Kellenberger.
Otto Miller.
Richard Roberts.
James L. Carter.
F. W. Kenney.
John Carlton Padelford.
Paul Snyder.
R. Wright.
E. D. Johnson.
Robert Wilcox.
Ralph E. Dodsworth.

At the close of the signing E. D. Johnson formed the volunteers up in the firehouse and gave them their first drill. A number of those who joined have already seen service. It was agreed that the company should march to Tropico Friday night to take part in the proceedings there for the securing of additional men for the company.

CONGREGATIONAL CHOIR

The Rev. E. H. Willisford and Mrs. Willisford entertained the choir of the First Congregational church, at their home, 231 Orange street, Thursday night. There was a full attendance and the choir enjoyed an excellent practice. They also, in conjunction with the Nash orchestra, practised the patriotic music they are to give on Sunday evening. At the close of the practice the choir and those present enjoyed a pleasant social hour.

Dr. and Mrs. H. V. Everly, 1645 Oak street, leave Saturday for a visit to their relatives in San Diego.

WEATHER FORECAST—Fair tonight and Saturday; temperature unchanged; westerly winds.

TRUSTEES' MEETING

PROFITS OF PUBLIC SERVICE DEPT. SINCE ORGANIZATION SHOWN TO BE $50,000.00

The regular weekly meeting of the board of trustees of the City of Glendale was held in the city hall, Thursday evening, June 29, 1916. Present, J. S. Thompson, president of the board, and trustees Chas. Grist, R. M. Jackson, F. L. Muhleman, G. B. Woodberry. Also present T. W. Watson, city manager; J. C. Sherer, city clerk; W. E. Evans, city attorney; H. B. Lynch, manager public service department; Edward M. Lynch, city engineer; G. H. Herald, city marshal; A. H. Lankford, fire marshal.

The minutes of the last regular meeting were read and approved.

On motion of Trustee Muhleman it was ordered that bids for the improvement of Pacific avenue be now opened, read and publicly declared. The bids were opend and read, and upon motion of Trustee Grist, referred to the city engineer for report.

At this time, Mr. Goodwin, representing the Los Angeles Examiner, addressed the board, presenting a proposition of that paper for advertising space in the Mid-Winter Number of the coming year. On motion of Trustee Woodberry, the matter was referred to the Committee of the Whole.

A communication was read from the Seagrave company of Los Angeles calling the attention of the board to the latest type of centrifugal pumping engine, to be exhibited at the coming convention of the Pacific Coast Association of Fire Chiefs, which will be held in San Diego the week commencing August 21st.

Another communication was read from the Pacific Coast Association of Fire Chiefs at Seattle, Washington, inviting the city to send representatives to the convention to be held in San Diego, week beginning August 21. On motion this communication was ordered to be filed.

An application was read from Mrs. Anna Woodrow, requesting that the board refund a portion of the fee paid for motor bus license No. 442, issued February 10 last, on account of the signer having ceased to operate said motor bus. On motion of Trustee Grist, it was ordered that a refund in the sum of $5.00 be made to Mrs. Woodrow, by unanimous vote.

An application was read from Mr. C. A. Gorton for permit to operate motor bus over a route between Littlelands, La Crescenta, La Canada and Montrose to Glendale. The application being approved by the city manager, was on motion of Trustee Grist granted, provided that a satisfactory bond be furnished.

An application was read from Geo. Peters, Jr., for permit to erect a supply station at the Northwest corner of Colorado street and Central avenue and install gasoline tank and pump. On motion of Trustee Muhleman, the application was referred to the city attorney and city manager to make a report.

The city manager reported that the Pacific Electric railway company has begun work on the crossings at Brand boulevard and First street and Doran street.

He reported in regard to the sanitary conditions in Verdugo canyon, that there are nineteen families in that vicinity and sixteen of these have satisfactory cesspools; he described the conditions in reference to the remainder. He reported that he had seen the new owners of Verdugo Park who had informed him that they do not care to have those grounds used for picnic purposes at present. He suggested the framing of an ordinance specifying details as to construction and care of cesspolls in the canyon.

He reported further in regard to the protection work in Verdugo wash, that Messrs. Ross and Thom have expressed themselves as ready to go ahead with this work if carried out in accordance with their views and to pay one-third of the cost of the same, provided that the total cost does not exceed two thousand dollars. Trustee Woodberry supplemented this report by stating that Messrs. Ross and Thom had agreed to give the city an easement of twenty or twenty-five feet in the bed of the wash for work extending from the packing house up to the big sycamore tree in the canyon; they being opposed to having any of their land taken for the purpose of protection work outside of the present bed of the stream.

The city manager reported that the health officer suggested the publication of dairy scores after August 1st. The board discussed this prop-

GLENDALE, CALIFORNIA, FRIDAY, JUNE 30, 1916

RELIEF OF MEXICAN TENSION

While the news that Carranza had agreed to release the Tenth cavalry troopers taken in the ambush at Carrizal was welcomed with relief by many it was unwelcome news to the soldiers who have been expecting the signal to go into Mexico and even up old scores. There is much discussion everywhere as to the reason for this backing down from the stubborn position assumed by Carranza at the time of the fighting at Carrizal.

One reason undoubtedly is that the Mexican government realizes that it is in a bad condition to begin war with the United States. Carranza is a man of intelligence. He has seen the United States within a few days call out and equip 200,000 troops. From the pacificist wail in the public press the Mexicans had been led to believe that the nation had so degenerated that it would shriek for peace the moment the Mexicans should threaten it in force.

To find a large army at their gates and preparations being made for the calling out of a great many more has been too much for Carranza and his entourage. The ruler of Mexico realizes the potential strength of the American nation and has no desire to measure his strength against it.

Mexico is in a bad way. It has now been fighting for several years. Its army has probably ammunition for one real battle and no more. They have no proper commissariat and live off the country as they pass through. They might put up a fight for years among their mountain passes and it might take five or six years to capture them all; but in the end it would be done and meantime their country would be administered by Americans.

Mexico is in a parlous condition. It has come to the end of its resources in food and the horses are dying for lack of forage. Up to this time the hands of Funston and Pershing have been tied by the president who would not allow them to carry out the measures needed for the comfort and safety of the troops in Mexico, where they have been obliged to march over the desert. That would be changed at once were war to be declared.

Pershing's first command would be to seize the railroads and thus have easy access to his front and base and with the railway in American possession the Mexicans would have to clear out of the way.

Again the coal fields of Mexico would fall into the hands of the American troops who would thus have the country at their mercy. Meantime the American fleet has closed up every harbor so that there is no entrance to Mexico by sea. The American border is also closed so that no more ammunition nor provisions enters the country by that door. In fact, the United States is applying the blockade to Mexico both by land and sea and the country will speedily be brought to time because the people are slowly starving to death.

Whether the war should break out or not will make no difference to the American preparations that are being pushed as rapidly now as in the beginning of the trouble. The militia will all be out before long and it is hoped that at least 500,000 men will be called to the colors. There is probability that there will be fighting to do; for with the United States army falling back to its base the Mexicans might easily take the opportunity to attack them. Anyway the militia will be needed on the border for six months to come and will gain much valuable experience there. The war scare in Mexico has been an excellent thing for the country. It is the most eloquent sermon on preparedness the country has yet heard.

PATRIOTISM AT ITS HEIGHT

With the advent of the Fourth of July there is certain to be a wonderful outburst of patriotism all over the country. Already the youth of the land as far as organized has responded gallantly to the call for defenders of the American border and the greater part of the State militia is now on its way to the international boundary between the United States and Mexico. No matter what has been said or done during the past four years to dampen the national spirit by futile dreams of peace the people of the United States have really awakened to the dangers that lie before them, with an armed nation on the other side of the Pacific and furious fighting in Europe.

In the midst of this maelstrom of war it is impossible for any nation to imagine that it will be free from acts provocative of war. It is a very difficult thing to maintain a strict neutrality with so many opportunities afforded those desirous of involving the nation in war, to create difficulties with other nations. The only way to keep out of war, as is being demonstrated at present in Mexico, is to show strength and firmness.

It is well to keep out of war. No one who understands the hideousness of armed strife will argue for a moment that it is desirable. The only way, however, to avoid the war which has been constantly threatening this country on all its coasts, is to be ready to defend the life and liberties of the citizens of the United States.

With the approach of the Fourth of July come the memories of the time when the country made its historic stand for life, liberty and the pursuit of happiness. The men who made that stand are among the cherished figures of the nation. They were not content to sit down in immoral acquiescence with what they believed to be wrong; but they took their lives in their hands and fought until they brought forth battle unto victory.

All over the land the spirit of the Fourth is arising and outside nations will understand that the United States is practically a unit for the proper defense of its coasts against foreign aggression and the protection of its citizens wherever they may be. In that spirit the country may be assured that as its preparedness program assumes more and more definite form that foreign threats and foreign attacks will die out and the country will have the peace it desires.

MISS LORRAINE MITCHELL AND MISS EULA RICHARDSON TO ENJOY OUTING

Miss Lorraine Mitchell, of Kenneth road, and Miss Eula Richardson, of Central avenue, leave Saturday for a month's outing with the Sierra club, of which they are members. The party will visit in the course of their travels the Kern and Kings river canyons, Mt. Whitney, Williamson, Tyndall and Kaweah peaks, Moraine lake, the John Muir trail, Junction Peak, Vidette Meadows, Bullfrog Lake, and many other places of great natural beauty.

In replying to an invitation from the Sierra club to join them in this outing in 1912, John Muir wrote, "I have seen something of nearly all the mountain chains in the world and have experienced their varied climates and attractions. I have seen a little of all the high places and all the low places on the continents, but no mountain range seems so kind, so beautiful or so fine in its sculpture as the Sierra Nevada. If you were as free as the winds, and the light, to choose a camp ground in any part of the globe I could not direct you to a single place for your outing that is so attractive, so exhilarating and uplifting in every way."

The members of the club will go by Pullman from Los Angeles and San Francisco to Springvale, Tulare county, and from there go by conveyance to the Forks of the Tule river, where they will take the trail to Nelson's camp. This outing will continue throughout the month of July and the party will wander through wonderful sequoia groves, visit soda springs and golden trout falls, view the great basaltic columns, natural bridges and volcanic craters, camp by Moraine lake for several days taking side trips from the camp. From that point they will move on through the wonderfully colored sculptured cliffs, knapsack up the big arroyo, ascend Mt. Whitney, camp at the head of Tyndall creek, cross the crest of the Sierras at Tyndall's Pass, follow a part of the recently completed portion of the John Muir trail, establish camp at Vidette Meadows and take many side trips from that point, travel down the eastern slope of the Sierras to Independence and from that place a special train conveys the party to Mojave, from which point they will proceed to their homes.

This is the sixteenth outing of the Sierra club. The itinerary is one of the most delightful that could be imagined. Add to these wonderful tramps through some of Nature's choicest beauty, good fellowship around the campfire at night with music, stories and lectures, and no more enjoyable vacation can be imagined than the one which these two Glendale girls will enjoy.

"THE CRANFORD LADIES"

Quite a fair audience gathered in the church hall of St. Mark's Episcopal church to enjoy the presentation of "The Cranford Ladies" by the Woman's Auxiliary and their friends. The representation of the manners and customs of the ladies of a generation long past was faithful and dramatic. This is a difficult species of acting and can be easily overdone. It needs a delicate touch and that was imparted to it by all who took part. Mrs. Freeman Kelley and Mrs. Crampton in the duet, "Charming Belles of Long Ago," were so uniquely charming with their little tricks of manner and action that although encores had been forbidden the storm of demand was so great they had to respond.

Another beautiful feature of the presentation was the gavotte, which was danced by six charming young ladies, Grace Shropshire, Dorothy Gilson, Harriet Wells, Grace Crampton, Dorothy Hunt and Elizabeth Patterson. This dance was given in costume and Mr. Herbert Henning in costume also played the piano for the dance with appropriate taste. Mrs. Pearl Keller is to be congratulated on the result of her training of these young ladies.

Mrs. George Eley as Lady Glenmyer gave a splendid representation of the aristocratic dame of the past. Mrs. Martha Morris and Mrs. Archie Parker as the two Brown sisters were inimitable. The Misses Phillips as Miss Pole and the maid, made a great hit. Mrs. Crampton as the hostess of the play, gave a charming representation of the good lady housewife of long ago and snuffed her candles with antique grace after the guests had retired. As the Hon. Mrs. Jamison, Mrs. Phillips kept her audience in titters all the time by her undeniable drowsiness and the dignity with which she recovered herself.

Mrs. Freeman Kelley, who arranged the play, adapting it from the novel "Cranford," and who also acted as director, is deserving of the greatest credit for her excellent work.

The second part of the program was given by St. Mark's choir, which sang several glees in excellent style. Miss Ina Whitaker and Miss Gertrude Champlain gave some highly appreciated piano numbers. After refreshments the evening was brought to a close by Mrs. Martha Morris who stepped forward with a large American flag and asked the audience to join in "The Star Spangled Banner." This was done with great enthusiasm. The entertainment was given in aid of the Deaconess Wilde Children's church home.

Personals

J. C. May, of Victorville, called on old friends in Glendale Thursday.

Mrs. Colin Cable, 755 S. Columbus avenue, entertained at luncheon Thursday, Mrs. Harry Charlton, of Los Angeles.

Mrs. Ella B. Mills, of Ashland, Oregon, spent Thursday in the home of her cousin, Mrs. Ellen C. Galey, 1444 Salem street.

Mrs. W. Baumbach, of Minneapolis, has been visiting at the home of Mrs. Nellie J. Oliver, 1314 Central avenue, this week.

Mrs. George Eley, 1210 Lomita avenue, went Friday morning to Alhambra, where she is to be the guest of Mrs. Bingham, Electric avenue.

Mr. and Mrs. F. J. Ross and daughter, Mary Alice, 143 East 5th street, went to Santa Monica Friday morning to spend a couple of months enjoying beach life.

Mr. G. H. Morton, of 112 N. Isabel street, has arrived home after an extended trip in the east. Mr. Morton is the western representative for the Cygnet Rear Car Co. of Buffalo, N. Y.

Mrs. C. V. Mills, 111 W. Seventh street, and Mrs. Herman Nelson, 503 W. Fifth street, have arranged for a Progressive whist party in the Hurtt hall, W. Broadway, Saturday. The guests are the ladies of the Church of the Holy family.

BOY LEAVES HOME

Mr. and Mrs. J. E. Rockhold, of 1430 Burchett street, whose oldest son, Howard B. Rockhold, left his home Monday evening and has not been seen since, beg that any one who may see the boy assure him that he will be welcomed home, or notify them, the Glendale police or this newspaper. Howard is fifteen years of age, 5 feet eight inches tall and weighs 115 pounds. He has dark hair and eyes. He left his home Monday evening at a quarter of six ostensibly to go to the home of his grandmother to work the balance of the week. He wore a pair of khaki trousers, an outgrown blue coat and a faded blue cap. He carried a knapsack with his initials, H. B. R., on the flap, and a rifle. It was afterwards learned that he had drawn his savings from the bank and had taken a revolver from his home.

Howard recently finished his first year in high school. He was ambitious to gain an education yet was tired out with his school work. He had a passion for a life in the woods and the vacation which the family was planning at the beach did not appeal to him. He was happy at home and his parents feel that he has taken this trip to satisfy his longing for hunting, fishing and a life in the wilds. His parents are heartbroken at his departure from home and will be extremely grateful to anyone who can give them news of him.

BIRD AND FLOWER CLUB

Members and friends of the Bird and Flower club will meet at Headquarters, 1111 Broadway, at 2 o'clock punctually, on Monday next. After calling the roll, as prizes for attendance will be awarded at the close of the summer, and giving the membership button to any new members, the club will proceed to 427 Everett street, the residence of two of the members, Grace and Robert Tower. Robert, a lad of 14, is quite an expert on birds; he has given much thought and study to eastern birds and possesses a very fine collection of birds' eggs; his talk is sure to be most instructive and entertaining. Members of the club will also begin to make arrangements for a Bird and Flower program, which they intend giving at a later date in the form of an outdoor entertainment to the members and friends of the Garden society.

The Bird and Flower club meets once a week during the summer vacation, taking little trips here and there, combining the study of birds and flowers with social fun and enjoyment. Children only become members, but adults are always welcome. Mothers especially are urged to come with their children and enter into their interests. All children and all adults from everywhere are cordially invited to all meetings. There are no fees or dues. Mrs. H. C. Ackley, Miss G. Forrest and Mrs. Nanno Woods always accompany the children.

TENNIS PARTY

What proved to be a very charming tennis party was given Thursday afternoon on the spacious tennis court at the home of Mrs. John Robert White, 101 Orange street. The party was given in honor of Miss Dorothy Pratt, of Berkeley. The others present were: Mrs. Luce of Berkeley, Miss Lorraine Mitchell, Miss Barbara Mitchell, Miss Edith Ewins, Miss Mary Hunt, Mrs. Horace Gillette and Mrs. John Southard.

DANCE AT BUTLER'S HALL

Remember the dance at Butler's Hall Saturday night, July 1st. Admission ten cents, dancing as usual. Come and enjoy a good time. 265t1*

A cold bath every morning is the best complexion remedy.

PLANS FOR THE FOURTH

NATION'S BIRTHDAY TO BE CELEBRATED ON THIRD STREET SUMMER PLAYGROUND

It has been decided by the committee that has superintended and organized the opening of the summer playgrounds that the Nation's birthday, Tuesday, July 4, shall be fittingly celebrated. The celebration will take place on the grounds of the Intermediate school. All the public is invited to attend. Every preparation will be made for having a patriotic celebration.

It is certain that the program of sports that is being arranged will bring out a great deal of the best local athletes. The Playground directors have been at work on this athletic program and will be able to offer prizes in all the events.

Mrs. Greely Kolts has charge of the music for the occasion and will be able to make a good showing with the talent of the schools themselves.

The Rev. E. H. Willisford, of the First Congregational church, who is chairman of the general playground committee, is making arrangements to have appropriate speakers for the occasion.

It is suggested that as a city ordinance prevents the young people from celebrating the Fourth with fireworks it might be well for patriotic citizens to get together and obtain permission for a fireworks celebration on the school grounds. In order to do this a small fund would be needed for the fireworks and under proper supervision a safe and sane Fourth might thus be arranged.

ENTERTAINS AT BIRTHDAY PARTY

Master Lewis Cohn, son of Mr. and Mrs. L. B. Cohn, 1228 West Seventh street, royally entertained fourteen of his playmates Thursday afternoon at a party in honor of his sixth birthday. The afternoon was enjoyably spent in games, delicious refreshments being served late in the afternoon. The decorations were of a patriotic nature being carried out in red, white and blue.

The U. S. Public Health Service has reduced malaria 60 per cent in some localities.

The more pleasant your vacation the more you'll need a

KODAK

It's vacation time. Before you start on your trip, come and see the many styles of Kodaks we keep in stock. You can buy a good Kodak here from $2.00 up.

If you already have the "picture taking habit," you'll be glad to know that we have one of the most complete lines of photographic supplies imaginable.

Not only does this store sell Kodaks and Kodak Supplies, but we also will do all the hard, bothersome part of picture-making — namely the printing, developing and enlarging.

RAILWAY MOVEMENT

LETTER ADDRESSED TO SUBSCRIBERS TO FUND FOR P. E. EXTENSION

The Glendale Chamber of Commerce Railroad Committee takes pleasure in announcing that the construction of the P. E. railroad extension on Broadway from Glendale avenue to what is generally known as the Childs' Tract Line, is progressing very rapidly and that a large portion of our city heretofore much handicapped on account of the lack of transportation facilities, will shortly enjoy Pacific Electric car service.

This, however, is only a portion of the work this committee set out to accomplish some three years ago, and the delay which has attended the efforts of the committee to obtain a right of way for the Pacific Electric extension from Cypress St. and Brand boulevard in the city of Tropico through the eastern section of the cities of Tropico and Glendale, is very much regretted by the members of the committee.

This delay has been the cause of considerable dissatisfaction on the part of those who have already paid their subscriptions. Having paid their money, they naturally expected results long before now.

It is not necessary for this committee to call attention to the financial conditions which have prevailed during the last two years. We all know that times have been hard, and for this reason the committee has not felt warranted in insisting on the payment of outstanding pledges, to the embarrassment of many of those who subscribed so liberally to this proposition. Nevertheless, we owe it to those who already have paid their subscriptions to go ahead and complete this project.

In justice to the members of the committee who have undertaken this work and have given a great deal of their time to it, as well as to those who have already paid their subscriptions, and also, in justice to the Pacific Electric officials, who have cheerfully done their part thus far and now stand ready to complete the road when the entire right of way is obtained, we believe we are warranted at this time in asking all those who have subscribed to this project to meet the unpaid portions of their subscriptions within the next thirty days, thus insuring the immediate construction of this much needed railroad.

A financial statement is submitted herewith, from which you will readily see that the committee will be able to purchase that portion of the right of way yet to be acquired when these pledges are all paid, there being only a small balance of $362.60 not covered by subscriptions.

This appeal is made to you as one who has expressed a desire for this railroad extension by your liberal subscription thereto, with the hope that it will meet with a prompt response and that you will see our Secretary and Treasurer, Mr. F. H. Vesper, at the Bank of Glendale, in regard to your subscription, if any portion of the same is yet unpaid, and that you will continue to co-operate with the committee, thus hastening the time when we shall all see the full fruits of our labors.

Mr. Paul Shoup, president of the Pacific Electric Railway company, has assured us that he stands ready to complete the building of this road as first planned whenever the remainder of the right of way has been secured and the deed therefor transferred to his company.

Note: There is in the possession of the committee deeds to portions of the right of way, the appraised value of which is $10,280.00. This is not included in the following financial report, as it includes property deeded direct to the committee.

Glendale, California, June 19, 1916.

LA CRESCENTA

The Presbyterian church of La Crescenta has arranged for an all-day grove service of patriotism and praise to be held under the trees on the Thompson ranch on Honolulu avenue, at the end of Ramsdale avenue, for Sunday, July 2. Everybody is asked to be there as close to 10:00 o'clock as they can. Bible study and a patriotic sermon will fill the time till noon. There will be a place for everybody, young and old, in this service. At noon we will have our dinners under the trees. At three o'clock the Rev. J. Clarence Pinkerton, D. D., of Los Angeles, will deliver an address on "The World's Greatest Battle." The program will continue till about five o'clock. All the people of the entire valley are urged to be at this gathering and help make it a big and memorable day in the life of the community. Bring your lunch. Coffee will be served.

Mr. and Mrs. Joe Hawkins spent a delightful week at Santa Catalina island last week.

Following are the registries from the Fairmount Hotel for last week: Orabell Fay of San Francisco, Geo. F. Haines of Los Angeles, Mrs. S. B. Simes of Philadelphia, E. B. Johnson of Philadelphia, Mrs. L. S. Janvier of Pasadena, Miss Emily A. Brown of Pasadena, Mrs. E. S. White of Pasadena, Marian White of Pasadena, Mr. and Mrs. E. L. Messler of Pasadena, Mr. H. J. Fisher of Fallejo, Cal.; Ida May Rohner of Los Angeles, J. M. Sturtavant of Los Angeles, Mrs O. S. Richardson of Glendale, Ida M. Waite of Glendale, Mr. and Mrs. Chas. S. Rudling of Palms, Cal.

Mr. and Mrs. Adam, Miss Adam and Carl F. Adam, Jr., motored to Pasadena Friday evening to attend the Thalia Club's presentation of the charming play, "Prunella," given for the benefit of the Pasadena Free Dispensary.

Miss Katherine Adam returned from her visit with Mrs. Crutcher of Los Angeles.

Mrs. Orabell Fay, who has enjoyed a two weeks' visit with her uncle and aunt, Mr. and Mrs. Hangar, of Fairmount Hotel, returned to her home in San Francisco.

Mr. and Mrs. Balridge gave a dinner party at the Fairmount Hotel for their daughter, Miss Mae Anderegg. Eleven guests were present.

Mr. Fletcher, wife and daughter, is rooming indefinitely at the Dyer residence.

Mrs. Grey and daughter, Frances, dined with Mr. and Mrs. Wetherbee Tuesday evening.

Mr. D. A. Wetherbee and wife, of Los Angeles, visited their father and mother-in-law, the Wetherbees, of La Crescenta. They are leaving for San Francisco.

Mrs. Rheinchild's new house is coming along surprisingly under the supervision of Mr. Wise and his employes.

Mrs. Bruce and daughter are spending a few days at Redondo Beach.

Mr. Thomas Lee Woolwine district attorney, spoke at the school auditorium on Monday evening, by invitation of the Improvement association and Woman's club. He gave a very interesting talk on the duties and departments of his office and what each department represented and just how the minor cases are handled and kept out of the way of those of more importance. Quite a good audience was present and all were pleased and instructed by his talk.

The teacher of the La Crescenta school interested the pupils in Home Credits so they were taken up. Following is the record for the year: Highest record, upper grades: Rudolph Rheinchild, first; Andrew Peddie, second; Emile Escalle, third; Roberta Hopping, fourth; Gertrude Hawkins, fifth. Lower grades: Charley Skow, first; Frances Cloud, second; Lawrence Potter, third.

Miss Martha Andreas has gone to the city to stay.

Miss Mae Caldwell is spending her vacation with her aunt at the beach.

The Taber place is reported sold, owners to occupy same.

The Los Angeles Investment company will start to remodel the old Scott place immediately after which is is to be sold.

Everyone is glad to learn that Mr. Teitsworth is so improved.

THE POOR RECRUIT

Last night I dreamt of pillows soft,
The while my fancy reared aloft;
But when I woke, alas, alack,—
Some straw was sticking in my back.

Last night I dreamt of turkey roast,
And lemon pie and quail on toast;
But when I woke I heard 'em say:
"It's beef and beans again today!"

MOBILIZATION CAMP, SACRAMENTO, June 29.—Sure enough, army life is no soft snap, particularly in the case of the militiamen. Bodies that were accustomed to rest on fine, soft feathery beds as the hosts of Morpheus sounded the bugle call for the invasion of Dreamland are now spreading out on crude sacks of straw which rest directly upon soil sunbaked and lumpy. Appetites that demanded luxuries and delicacies now have to be satisfied with just plain grub, as, for instance, the "Three B's" of army life—beef, beans and bacon. Hands that were used to nothing more strenuous than propelling a pen are now rough and blistered, the result of swinging sledges, shovels and muskets.

But most of the complaint comes not from the guardsmen but from visitors to the camp. The fair sex just can't bear to see an upright, honest, patriotic American citizen supping soup from a tin plate into which particles of sand creep.

Its hot at the mobilization camp, but its hotter along the border, and the militiamen stand the heat knowing that it is wise to get used to it. The spacious grounds give ample room for drills, skirmishes and maneuvers. The state buildings provide splendid warehouse and hospital quarters, and water and sanitary arrangements are the best. In short, officers believe it is an ideal place for conditioning and training men for service in the United States army.

Somebody please write a new song for the boys at the mobilization camp. As it is now they are limited to "Tipperary" and "Goodbye, Little Girl, Goodbye."

A center of attraction at the camp is a goat in the Fifth regiment's corral. He is labeled "Carranza's."

Recruiting officers are doing good work. On the average 50 "rookies" daily have arrived at the camp from various points in the state. And it takes but one day to make them whiskered, sore and blistered.

A postoffice was established today at the camp. Postmaster Fox advises that to insure prompt delivery of mail to soldiers, the writer should inscribe "Camp Hiram Johnson, State Fair Grounds, Sacramento" on the envelope.

Forget the past, and live the present hour;
Now is the time to work, the time to fill
The soul with noblest thoughts, the time to will
Heroic deeds, to use whatever dower
Heaven has bestowed, to test our utmost power.
Now is the time to love, and better still,
To serve our loved ones, over passing ill
To rise triumphant; thus the perfect flower
Of life shall come to fruitage; wealth amass
For grandest giving ere the time be gone.
Be glad today, tomorrow may bring tears;
Be brave today, the darkest night will pass,
And golden rays will usher in the dawn;
Who conquers now shall rule the coming years.

—Sarah K. Bolton.

NOTICE OF AWARD OF CONTRACT

Pursuant to Statute and to Resolution of Award of the Board of Trustees of the City of Glendale, California, adopted the 29th day of June, 1916, directing this notice. Notice is hereby given that the said Board of Trustees, in open session, on the 29th day of June, 1916, opened, examined and publicly declared all sealed proposals offered for the following improvement, to-wit:

The improvement on Pacific Avenue described in Resolution of Intention Number 906, to which said Resolution reference is hereby made for a description of said work.

The district to be assessed for the expenses of said work is described in Resolution of Intention Number 906, reference to which is hereby made.

The Board of Trustees of the City of Glendale determines that serial bonds shall be issued to represent assessments of twenty-five dollars ($25.00) or over for the cost of said work or improvement; said serial bonds shall extend over a period ending nine (9) years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every day after their date until the whole is paid; and the interest shall be payable semi-annually, by coupon, on the second day of January and July, respectively, of each year, at the rate of seven (7) per cent per annum on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued in accordance with the provisions of an Act of the Legislature of the State of California entitled "An Act to provide a system of street improvement bonds to represent certain assessments for the cost of street work and improvements within municipalities, and also for the payment of such bonds," approved February 27, 1893, and of all acts supplementary thereto and amendatory thereof.

And thereafter, to-wit: On the 29th day of June, 1916, awarded the contract for said work to the lowest regular responsible bidder, to-wit: To Hugh Cornwell and John W. Henderson at the prices named for said improvement in their proposal on file for said improvement, to-wit:

Grading, per linear foot, 23 cents.
Curb, "Class B," per linear foot, 22 cents.
Sidewalk, per square foot, 9 cents.
All culverts and appurtenances, completely installed, 920 Dollars.

And that said award has been approved by the President of the Board of Trustees of said City of Glendale.

Clerk's office, City of Glendale, California, June 30, 1916.

J. C. SHERER,
City Clerk and Ex-officio Clerk of the Board of Trustees of the City of Glendale, California. 265t2

NOTICE TO CONTRACTORS

The Trustees of the Glendale Union High School District invite sealed bids for the furnishing of labor and material and the construction of a reinforced concrete Cloister connecting Administration and Household Arts Buildings, as per plans and specifications of Marsh & Howard, Architects for said Board.

Plans and specifications can be obtained from I. H. Oliver, Clerk of the Board of Trustees at Glendale, Cal. All bids to be accompanied by a certified check or bid bond for 5 per cent of the amount of bid.

Bids will be received by Mr. Oliver, Clerk, up and until 5 p. m. July 14th at Glendale, Cal.

The Board reserves the right to reject any or all bids.

Done by order of the Board of Trustees, Glendale Union High School District, at Glendale, Cal., June 26th, 1916.

DR. A. L. BRYANT, Pres.
Attest: I. H. OLIVER, Clerk.
265t3-Fri

CONSIDER THE PEANUT

As less cotton is being raised in the South than in former days, owing to the efforts of the Department of Agriculture in teaching diversified farming, the peanut has attained a new significance and development. The oil is being extracted by the same mills that make cotton-seed oil, and the peanut product has been found suitable for a number of purposes.

The great packing houses of Chicago are using it in cooking fats. It is being sold in cans, and makers of potato chips testify to its frying qualities.

The experts of the Department of Agriculture suggest that young men on the farms might study the cultivation of the peanut to their advantage. The department is soon to publish a bulletin on planting and raising peanuts, with the suggestion that those who have small areas of land to plant would do well to see what can be done in peanut culture.

TRUSTEES' MEETING

(Continued from Page One)

osition at some length, but took no action.

The city manager reported in regard to the application of Mr. Platt for permit to install a gasoline pump and tank and to establish a filling station, and upon motion of Trustee Woodberry, the permit was ordered to be granted, by unanimous vote.

On motion of Trustee Grist, it was ordered that the sum of $2.00 be refunded to Mrs. Fenton from the dog license fund, by unanimous vote.

On motion of Trustee Jackson, it was ordered that when the board adjourn it be to meet at 7 o'clock a. m. Saturday, July 1st.

The city manager reported that Mr. L. C. Brand is willing to deed the city of Glendale about five hundred acres of land back of his residence in the vicinity of Mount Verdugo without consideration. On motion of Trustee Muhleman it was declared to be the sense of the board that the city should accept this proposition.

The city engineer made a report upon the bids for the improvement of a portion of Pacific avenue, the lowest bid being that of Hugh Cornwell and J. W. Henderson, and recommended that their bid be accepted.

In connection therewith he presented a resolution awarding the contract.

On motion, Resolution Number 916, "A Resolution of award of contract for the improvement of Pacific Avenue," was taken up for reading.

On motion of Trustee Woodberry, the same upon being read was adopted by unanimous vote.

The manager of the public service department presented a report of his department for the past eleven months ending June 1st, showing that the business of the department would approximate for the year just ending, one hundred thousand dollars ($100,000.00), that the total profits of the department since its organization for both light and water had been approximately fifty thousand dollars ($50,000.00), after allowing for depreciation.

He made a report on the meeting of the Railroad Commission assembled to pass upon the question of the city's taking over a portion of Kelley's Water Plant, but the decision of the commission has not yet been made known.

He reported the completion of the new twenty-inch pipe line.

He recommended that the sum of $500.00 be returned from the Ornamental Lighting District No. 8 Fund to No. 9 Fund, and the sum of $1505.00 be returned from Ornamental Light Fund No. 9 to Public Service Fund as the money shall be paid in. On motion of Trustee Grist, it was so ordered by unanimous vote.

The manager of the public service department requested that he be granted a vacation of two weeks, beginning Monday, July 3, which request, on motion of Trustee Grist, was granted.

The city engineer made a report in regard to the opening and widening of Penn street to the effect that Mr. Shattuck had not yet delivered a deed.

Trustee Muhleman reported that Trustee Woodberry and himself had put in some time investigating the merits of cushion tires and solid tires for fire engine truck, the result of their investigation indicating that the higher price of the cushion tires is not justified by its superiority as compared with the solid rubber. The matter was discussed at some length, and finally a motion was made by Trustee Woodberry that the city accept the bid of the Pike Auto and Wagon works, $241.02; adopted by the following vote:

AYES—Jackson, Muhleman and Woodberry.

NOES—Grist, Thompson.

The following demands were allowed:

RESTORING "ABANDONED FARMS"

The "abandoned farm" problem of some of the New England States is in a way to be solved, since hundreds of foreign-born citizens are more and more leaving mill work to acquire a few acres. The newcomers to the country bring old world standards of toil, and every member of such a household does his or her part.

When the pioneers were subduing the land of New England, much hard toil was experienced, and these people who are reclaiming the "abandoned farms" find the task difficult; but in spite of the obstacles, Polish people and those of other nationalities are making more than a living. The wants of such families are small in comparison with those of native owners of farms, and the growingly difficult problem of help is provided for by large families. From these beginnings a desirable element of citizenship, taught in the local schools, is growing. With improved roadways, better markets, and advanced methods of cultivation and treating the soil, promising larger returns for labor, the old lands of New England may become the home of a large and prosperous population.

The death rate from typhoid fever in the United States has been cut in half since 1900?
